

Policy No.: 801.08
Approved: 5/10/2004
Revised: 3/14/2016

TRANSPORTATION OF NONRESIDENT AND NONPUBLIC SCHOOL STUDENTS

The board has sole discretion to determine the method to be utilized for transporting nonresident and nonpublic students. Nonresident students may be, and resident students attending a nonprofit private school accredited by the Nebraska Department of Education, will be transported from one point to another on an established public school vehicle route at times when transportation is being provided for public school children. Nonresident and nonpublic school students shall obtain the permission of the superintendent prior to being transported by the school district. The superintendent shall determine the nearest or most easily accessible points to pick up and discharge the students.

Parents of resident students who provide transportation for their children attending a nonpublic school accredited by the Nebraska Department of Education will be reimbursed at the established state rate. This reimbursement shall be paid only if the school district receives the funds from the state. If less than the amount of funds necessary to fully reimburse parents of the nonpublic students is received by the school district, the funds shall be prorated.

The charge to the nonresident students shall be determined based on the students' pro rata share of the actual costs for transportation. The parents of these students shall be billed for the student's share of the actual costs of transportation. The billing shall be according to the schedule developed by the superintendent. It shall be the responsibility of the superintendent to determine the amount to be charged and report it to the board secretary for billing. Elba Public School will offer transportation to option enrollment students at no cost.

Continued transportation of nonresident and nonpublic school students on a public school vehicle route will be subject to resident public school students' transportation needs. The superintendent shall make a recommendation annually to the board regarding the method to be used. In making a recommendation to the board, the superintendent shall consider the number of students to be transported, the capacity of the school vehicles, the financial condition of the school district and other factors deemed relevant by the board or the superintendent.

Nonresident and nonpublic school students shall be subject to the same conduct regulations as resident public students as prescribed by board policy, and to other policies, rules, or regulations developed by the school district regarding transportation of students by the school district.
