TELEPHONE SERVICE

Cell Phones

The board recognizes that the use of cellular telephones may be appropriate to provide for the effective and efficient operation of the district and to help ensure safety and security of district property, staff and others while on district property or engaged in district-sponsored activities.

Use of cellular telephones in violation of board policies, administrative regulations and/or state and federal law will result in discipline up to and including dismissal and/or referral to law enforcement officials, as appropriate.

The superintendent is directed to develop administrative regulations for the implementation of this policy, including a uniform and controlled system for identifying employee cellular telephone needs, monitoring use and reimbursement. Provisions may also be included for staff use of privately-owned cellular telephones for authorized district business.

Personal use of privately-owned cellular telephones by employees authorized to use such equipment for district business is restricted to lunch, breaks or other such times when the employee is not on duty.
