Homebound and Off-Campus Instruction

The school district may provide a student with instruction in his or her home or other off-campus location under the following circumstances:

- if the student's IEP or 504 team determines that homebound instruction is appropriate;
- if the student is physically or mentally ill or injured and unable to attend regular classes and the superintendent or his/her designee had determined that a program of off-campus instruction is appropriate, after conferring with the student's parents, teacher(s) and/or physician; or
- under other circumstances which the superintendent deems to be appropriate.

Homebound and off-campus instruction may include a variety of in person and distance learning services, as determined appropriate by the superintendent or relevant educational team. The superintendent or relevant educational team shall periodically review individual off campus instructional programs and shall only continue them as long as they are educationally appropriate.
